QUALITY

The price of your shed depends on many factors, so, when comparing price variations, please carefully look at and consider the following items:-

1. Size of Framing. 2. Type and Thickness of Cladding. 3. Boarding Used for Floor & Roof. 4. Height of the Unit 5. Type and Size of Doors & Windows as Standard 6. Value for Money. 7. Suitability for Your Needs.

ACCESS

It is important that we are made aware, at the time of ordering, if you have any restricted access such as a garage doorway. The installers cannot carry buildings over garage roofs or through houses due to insurance restrictions. We reserve the right to impose a surcharge for an aborted delivery.
